

Where the Adventure Begins!

Welcome to Preschool! The beginning of the school year will be here before you know it. This is the year for our youngest learners to shine brightly! It will be a year of magical wonder and amazing growth for your child.

We are very excited to be adding to our preschool staff! Meredith Welch, we will be joining our K-3 staff this fall as a preschool teacher. Meredith graduated from Mississippi State University with a degree in Human Development and Family Study, with concentration in Child Development. She has spent the last two years working with young children at Emerson Family School in Starkville, MS

We hope you have had a great summer! We are already planning for a fabulous year in preschool! For the first time, our K-3 program will be on a full day schedule. Our hours will be 7:45 a.m. until 2:50 p.m. We provide after school care from 2:50 p.m.- 5:30 p.m. We will be providing information about extended care soon.

We typically have a preschool orientation before our class begins. However, due to the current circumstances, we will not be having one this year. The first day of preschool will be Monday, August 10th. We will run a regular day schedule, dismissing at 2:50 p.m. If you could send me your contact cell phone number and the name associated with the number, we will be contacting you through text or a group texting app with updated information. My cell number is: 662-707-0311 (Nono). Please feel free to call with questions.

Preschool children must have an original Mississippi Health Compliance Form to enroll in school. This form can be obtained from our local health department. We must also have a copy of your child's Social Security card and Birth Certificate. You can send this information to the elementary office to the attention of Kathy Gaines.

An \$85.00 supply fee is due on the first day of school, August 10th. The fee helps cover the cost of our worksheets, as well as supplies such as folders, crayons, markers, paper, pencils, and other needed items for our school year.

Be assured that we will do our best to make this school year an enjoyable time for your child. Your child will be building a strong learning foundation: creating memories and making friends in a well-cared for Christian environment.

We believe that communication is the key to your child's success. We encourage you to contact us if you have any questions or concerns at any time. We are so happy that you have chosen NDS and we are looking forward to our preschool adventure with your child and family.

We will be sending you an orientation packet soon with more information concerning our preschool program. If you have any questions or concerns, please call 662-563-9994 between the hours of 8:00 a.m. and noon or you can call or text me at the above number.

To Many Happy Days!

Ms Suzann (Nono)
Ms Meredith
Ms Kathy
