Re: Physical Examination & Immunization Record

A physical examination must be performed within the year (365 days) preceding the start date of school. Both the physical examination form and the immunization record must be submitted to the school nurse **NO LATER THAN JUNE 30TH**.

Note: If your child is scheduled to have a physical examination during the summer months, a **PRELIMINARY** record must be submitted by June 30th. The more current physical examination report, as well as any record of further immunizations received must be submitted prior to the first day of school. (The sooner the better!)

Please note, the following immunizations are REQUIRED in order for your child to enter kindergarten in September:

- 4 doses of DPT-one dose given on or after 4th birthday or any 5 doses
- 3 doses of Polio-one dose given on or after 4th birthday or any 4 doses
- 2 doses of the MMR (Measles, Mumps, and Rubella Vaccine first dose given on or after 1st birthday)
- 3 doses of Hepatitis B vaccine
- 1 dose of Varicella vaccine given on or after 1st birthday or proof of disease

If you have any questions, please do not hesitate to contact the school nurse at 201-768-3860 ext. 41121.
