**Student Network/Internet
Acceptable Use Policy 2020-2021**

The Pomerene School District's Network(s) provide access to network(s)/Internet services for educational purposes. The Internet is an information highway connecting thousands of computers all over the world. I understand that I will have access to the Internet and with this access comes the availability of some material that may not be considered to be of educational value within the context of the school setting.

Efforts will be made to direct students to educationally related material. However, on a telecommunications network(s) it is impossible to control all materials and sites. I believe that the valuable information and interaction available on the network(s)/Internet services far outweigh the possibility of users gaining access to sites that are not acceptable.

I understand that if I violate these guidelines established by the Pomerene School Board, I will have my access to the network(s) services denied and terminated. My signature indicates that I have read the Acceptable Use Policy of the Pomerene School District and that I understand the significance of the terms and conditions of the Policy.

Arizona Department of Education
Arizona Residency Guidelines
REVISED 4/24/2019

INTRODUCTION

Local educational agencies are required to provide all children with equal access to public education at the elementary and secondary level. The U.S. Supreme Court held in *Plyer v. Doe*, 457 U.S. 202 (1982) that the undocumented or non-citizen status of a student (or his or her parent or guardian) is irrelevant to that student's entitlement to an elementary and secondary public education. However, to receive free public education in the State, students must be Arizona residents. Residents refers to those who are domiciled in Arizona and can provide proof of residence (see below). Pursuant to A.R.S. § 15-823, a school district or charter school may not include non-resident pupils in their student count and may not obtain state aid for those pupils.

In Arizona, the "district of residence" of a student is determined by the residency of the parent or guardian with whom the student lives. Accordingly, it is the responsibility of the school districts and charter schools that receive state aid to ensure that their student/parent residency information is accurate and verifiable. **While a district may restrict attendance to district residents based on available classroom space, inquiring into students' citizenship or immigration status, or that of their parents or guardians would not be relevant to establishing residency within the district.**

The Department may audit schools to ensure that only Arizona resident students are reported for state aid. Any school district or charter school that cannot demonstrate the accuracy of any student's residency status through documents provided by the parent/guardian may be required to repay the state aid received for that student. The following provides information on verifiable documentation parents must provide to prove district of residency.

OPEN ENROLLMENT

Arizona's open enrollment policies allow a student to transfer to any public school of his or her choice, even if it is outside of the student's district of residence. There are two basic types of open enrollment policies:

- Intra-district: Students transfer to another school within the resident school district.
- Inter-district: Students transfer to a school outside of their resident district.

Under A.R.S. § 15-816 and A.R.S. § 15-816.01, intra-district and inter-district open enrollment policies are mandatory on all school districts, allowing students to apply for admission to any public school, based on available classroom space.

VERIFIABLE DOCUMENTATION

A.R.S. § 15-802(B) requires school districts and charter schools to obtain and maintain verifiable documentation of Arizona residency upon enrollment in an Arizona public school. This document is designed to assist school districts and charter schools in meeting the legal requirements of the statute.

The documentation required by A.R.S. § 15-802 **must be provided each time a student enrolls in a school district or charter school in this state and reaffirmed during the district or charter's annual registration process via the district or charter's annual registration form. The documentation supporting Arizona residency should be maintained according to the school's records retention schedule.** For members of the armed services, a school may enroll a student if the parent provides a hard-copy or electronic document of their transfer or pending transfer to a military installation within the state. The parent must provide official documentation of residency within ten days after the arrival date which may include a temporary on-base billeting facility as their address. **PROOF OF RESIDENCY IS NOT REQUIRED FOR HOMELESS STUDENTS.** 42 U.S.C. § 11432(g)(3)(C)(i).

In general, students will fall into one of two groups: (1) those whose parent or legal guardian is able to provide documentation bearing his or her name and address; and (2) those whose parent or legal guardian cannot document his or her own residence because of extenuating circumstances including, but not limited to, that the family's household is multi-generational. Different documentation is required for each circumstance.

1. **Parent(s) or legal guardian(s) that maintains his or her own residence:** The parent or legal guardian must complete and sign a form indicating his or her name, the name of the school district, school site, or charter school in which the student is being enrolled, and provide **one** of the following documents, which bear the parent or legal guardian's full name and residential address or physical description of the property where the student resides (no P.O. Boxes):
 - Valid Arizona driver's license, Arizona identification card
 - Valid Arizona motor vehicle registration
 - Valid Arizona Address Confidentiality Program authorization card
 - Property deed
 - Mortgage documents
 - Property tax bill
 - Rental agreement or lease (including Section 8 agreement or off-base military housing)
 - Utility bill (water, electric, gas, cable, phone)
 - Bank or credit card statement
 - W-2 wage statement
 - Payroll stub
 - Certificate of tribal enrollment (506 Form) or other identification issued by a recognized Indian tribe located in Arizona
 - Other documentation from a state, tribal, or federal agency (Social Security Administration, Veterans' Administration, Arizona Department of Economic Security, etc.)
 - Temporary on-base billeting facility (for military families)

A model Arizona Residency Documentation Form is available for schools at the end of this document.

2. **Parent(s) or legal guardian(s) that does not maintain his or her own residence:** The parent or legal guardian must have an **affidavit of shared residency** form completed indicating his or her name, the name of the school district, school site, or charter school in which the student is being enrolled, and submit a signed, notarized affidavit for the person who maintains the residence where the student lives attesting to the fact that the student resides at that address, along with a document from the bulleted list bearing the name and address of the person who maintains the residence. A model Affidavit of Shared Residence form is available for schools at the end of this document.

USE OF AND RETENTION OF DOCUMENTS BY SCHOOLS

School officials must **retain a copy** of the attestations or affidavits and copies of any supporting documentation presented for each student (photocopies acceptable) that school officials believe establish validity. Documents presented may be different in each circumstance, and unique to the living situation of the student. Documents retained by the school district or charter school may be used as an indication of residency; however, documentation is subject to audit by the Department. Personally identifiable information other than name and address (SSN, account numbers, etc.) should be redacted from the documentation either by the parent/guardian or the school official prior to filing. **INFORMATION PROVIDED BY PARENTS AND GUARDIANS TO ARIZONA PUBLIC SCHOOLS IS CONFIDENTIAL AND ONLY USED FOR EDUCATIONAL PURPOSES.**
