

TENTATIVE Bus Schedules

2020-2021 Conemaugh Township Area School District

NOTE: All schedules are subject to change and times are approximate

**PLEASE HAVE YOUR CHILD AT THE BUS STOP 10
MINUTES PRIOR TO THE POSTED TIME**

NOTE: Bus Routes were posted as of July 22, 2020. Any changes after that date will not be reflected on the published routes.

During the first few weeks of school, please be patient as the routes are adjusted for new students. Pickup times will fluctuate depending on weather, road conditions and bus loads.

As we look forward to another successful year for our students, it is important to ensure all students, parents, and guardians are aware of the District's transportation guidelines on the following page. Because we transport nearly 1000 students over more than 53 square miles every school day, it is important we have you and your child's cooperation in following our established policies.

Our transportation software program is enabling us to make the bus routes more efficient and our database of student information more accurate. **To help us maintain accurate information, be sure to return the Emergency Bus Card to your child's school as soon as possible.** Also, remember to inform the school secretary of any changes in phone numbers, addresses, and/or emergency contacts throughout the year so that we have the most up-to-date information on file.

Many hours have been spent over the summer months reviewing bus routes and stops, making them as efficient and safe as possible, however, should you have concerns regarding student transportation or questions about a bus stop or bus assignment, please contact me at 814-479-7431 (extension 3704) or email me at regina.rembold@ctasd.org.
