

Christopher Allen Formica graduated from Conemaugh Township Area Middle School/High School in 1987. He was involved in many extracurricular activities during his time at CTASD.

His favorite memories here were “playing basketball and having many friends he still get together with.” His fondest memory, though, by far is “meeting Theresa Gully, who then became his wife.

Mrs Cathy Vigna, is Mr. Formica’s biggest influence and favorite teacher.

“She was not a high school teacher, but Mrs Vigna was a huge inspiration to me.” said Mr. Formica.

Immediately after high school, Christopher enrolled in the Pittsburgh Institute of Technology. There, he received an Associate’s degree in Architectural Design. In 1989 he started his first job with his new degree, and since then he has had many different jobs in the engineering field.

Mr. Formica currently resides in his hometown of Davidsville, PA. He has three sons: Jake, a sophomore at the Indiana University of Pennsylvania; Nate, a junior at Conemaugh Township; and Luke, who is currently in eighth grade at Conemaugh Township. His wife, Theresa, is a second grade teacher at Westside Elementary School in Johnstown, Pennsylvania.
