Dear Students, Parents, Guardians and Staff:

Please allow this communication to serve as an informational update for the Conemaugh Township Area SD. Last night at the board meeting, we discussed our plans moving forward regarding weather related cancellations and in-person instruction at the Middle/High School.

Currently, the last day of school for the 2020-21 school year is scheduled for Thursday, June 3, 2021. In an effort to avoid extending the school year into the next week of June, we have made the decision to use only one additional non-instructional snow day, if needed. If there are any additional days that require a cancellation, the district will use our approved Flexible Instructional Days to provide remote education through Zoom or Google Meet.

Based on the significant decrease of community spread and positive cases of COVID-19 in Somerset County, we have made the decision to return to full in-person learning at the Middle/High School starting **Monday, March 1, 2021**. On that date, all students will begin attending school every day. During this transition, we will maintain our high standards of cleanliness to provide a safe environment for all of our students and staff.

We will continue to provide updates through our parent notification system, if the need arises. In addition, I want to thank you for your continued patience and understanding as we work together through these challenging times.

Sincerely,

*Thomas J. Kakabar*
