

**Susan Saylor-Stahl**  
**February 2015 Alumni of the Month**

After graduating from Conemaugh Township Area Middle School/High School in 1976, Susan Saylor-Stahl attended the University of Pittsburgh as well as Saint Francis University, where she received her masters of business administration degree. Penelec hired Susan upon graduation, and she worked her way to various management positions, including becoming the first female superintendent of a Penelec generating station. Susan attributes her success in life to the work ethic and diligence instilled in her by her father.

Susan and her husband, Craig, married in 1984. They are the proud parents of Alex Stahl, who is a senior at Conemaugh Township Area Middle School/High School. In her free time, Susan enjoys photography, quilting, scrapbooking, and spending time with her friends and family. Her favorite band is Aerosmith, and her favorite solo artist is Alan Jackson. She loves them both so much; she went to see them live this past fall.

Susan's favorite teacher was Mr. Horne, who taught her history in high school. Mr. Horne had such a profound influence on her because he was an extremely tough teacher and pushed her to do her best.

The memories of playing basketball and volleyball, attending football games, history class with Mr. Horne, and anatomy class with Mr. Williams are her fondest at Conemaugh Township. Although the practices were tough and the class work grueling at times, the teamwork, focus, and discipline she learned were great preparation for both college and her career.

Presently, Mrs. Saylor-Stahl serves as president of the Conemaugh Township Area School District Board of Directors.
