Mission Statement

OPS's purpose is to graduate future leaders who have completed a rigorous curriculum, performed service in the community, and developed an appreciation of the arts that prepares them for the challenges of the college of their choice. With support from our diverse community, we will cultivate intellectual curiosity in well-rounded students.

Student Service Guidelines

- Students are required to complete 15 hours of service to the school and community each year.
- We limit service done at or for OPS to a minimum of eight hours.
- A single event may not account for more than half of your annual service hours. For example, a week-long mission trip to Peru counts for no more than eight hours of the required 15 annual service hours.
- Community service means a service done in the community. Babysitting does not count unless you are helping a family in need (that is not your own) and you are not getting paid.
- Service performed for your family is not eligible for community service hours.
- If you are paid for the service, you may not include the service in your volunteer services hours.
- We will not accept service hours unless they are signed by the supervisor in charge of your activity.
- You cannot donate any books or supplies in exchange for service hours.
- You may not count carpooling as service hours unless approved by the administration at the beginning of the year or before any carpooling has begun.
