

Parents,

If your student is taking an AP Digitally, please see the information below. If you have any questions, contact Mr. Giles at mark.giles@cobbk12.org. Thanks!

Have the students use the device that they are intending to test with (or the device that paper and pencil testers would use as a backup) to download the testing application. The app is now available to download here: cb.org/ap2021examapp Please have your student do this ASAP so they can test the app. below is the digital testing schedule. Students should log into app 30 minutes prior to the test. There will no makeup tests if you miss your exam.
