LA team, Special Ed, EL (English Learners) – Mrs Stewart met with them
Each Admin & department will receive the list of identified kids & determine how to help those specific students
Hawk Hour – groups made with different teachers. Some students the Hawk hour is chosen for them Collab Team driven to discuss those students & see where the need is that week Collab team based on needed concepts SPED – some will take an EOC in front of a computer & have never done that, so they are going to get practice doing that – RI & Lexile scores are used to determine that Went one student at a time through the list 32 active EL students in the building – 17 are freshman (now sophomores) 7 Tier A – beginning level Hillgrove is a diverse school – brings rigor & broader diversity of life School council needs to take on student achievement to make sure the students that aren’t getting it, eventually get it Mentoring with feeder schools

Not all EL are Hispanic – diverse group EL students are with the ½ time employee (she’s part time employee in the district)

• Graduation Rate – 93.6% Graduation rates went up in all of Cobb County Every student is coded after leaving Lovinggood & Lost Mt Middle – if they don’t come to Hillgrove we have to find out where they are. If a student can’t be found, we lose points.

• Hawk Hour Is not free time – we are not promoting an hour of free time Systematic approach to differentiation - academic plan Gotten more deliberate – making sure kids are choosing the right place to go during that time

• Open House What do parents think of open house? Now – PTSA meeting & then go to the teacher’s rooms Most parents said it’s a waste of time Johnathan Domineck – said he felt this years was effective – maybe a little later in the year so the teacher knows your students Gillian – self motivated students might not need to go – but the non self motivated students it helps them Let’s not eliminate – but let’s find a solution – revisit it 49 responses – 46 found it helpful, 6:30 time convenient Teachers were told they have to have a video or something for open house – not just not be there 29 responses on suggestions on how to reformat Parents suggested put a video on their blogs to watch There is larger participation for Freshman & Sophomores then with higher grades
Counselor events at open house if parents don’t want to go the teacher’s rooms

Red Ribbon Week – can PTSA still promote it if counselors are not & can SGA be part of the planning of it

Simone Eason - College tour deposit – Can we not use a check? Was told she couldn’t write a check over a certain amount. Do we have to use my payments plus?

Johnathan Domineck – do we have Esports? We do not currently
   Need a teacher or mentor after the county gives the ok – county does not offer stipen for esports
   Firewall needs to be addressed

   Homecoming / Hoopcoming – should we have a king & queen at both?

6. Old Business Topics:

7. New Business Topics:
   a. School/Class Tour date
   b. Next meeting date – Nov 13th
   c. Open – Topics for the agenda
