

Hawk Highlights

September 9, 2019

6th Edition

Hi Hawk Families!

I hope you had a great weekend! I am thoroughly enjoying the teaching and learning that I have observed thus far. Teachers are in full swing and students are immersed in the school year understanding the high expectations for learning but also managing time and striving to reach the learning goals. I am proud of what I see at this point.

The Student Advisory Board is about to be formed. This is done by way of a random selection process. These students then meet with me and provide feedback about their school experience. We talk about the good, the bad and the ugly and from there I add reasonable goals to our school improvement list. We all understand the importance of reflection and evaluation but most of all, what we need to do to be solution oriented and reach higher levels of success at our school. We are doing things the Hillgrove Way which means to do things with DELIBERATE SUCCESS!

In a recent leadership meeting, we identified the action verbs that define Deliberate Success as well as

6 Words that define Deliberate Success

Quality Character - MODEL

Global Citizen: EXPLORE

Communicator: ENGAGE

Collaborator-SHARE

Critical Thinker -EVALUATE

Creative Thinker- RESPOND

create a well-rounded successful scholar. We believe that if we plan, instruct, assess and reflect while considering the following verbs, we will continue to produce outstanding students.

We want to impact the whole child.

Reminder: The week of September 23rd – 27th school is closed for fall break.

VOLUNTEERS NEEDED!

The Hillgrove Foundation is looking for volunteers to help with our 3rd annual
