

Monticello Montessori Public Charter School

2019-2020 Class Suggested Donations for Kindergarten Classrooms

Please note: School supplies are listed here for donation(s) only; no supplies are required to be brought by any student. If you would like to make a donation, we suggest you pick one or two items from the list below and donate several of those. We are so thankful for your help in providing supplies for all our classrooms and students. Your assistance helps us use state funds in other ways such as for classroom libraries and music and art materials. Please note that all donations become property of the school for the equal access and benefit of all students and are not returnable or refundable. If you would like a donation receipt for tax purposes, be sure to let us know at the time of your donation.

* We know your time is valuable and back to school shopping can be hectic. A donation gift card to a local department store is also very helpful.

**A back to school night will be held in August. We ask that you bring donations to the school at that time. This will allow us ample time to assess if we are lacking in any area prior to the first day of school.

*** Indoor shoes and polo shirts are considered school uniform, and are required to be supplied by the family. However, if parents can donate outgrown indoor shoes and/or polo shirts in excellent cleanly washed condition that is also very helpful for other students and families. Please bring those to the school on Back to School Night as well.

THANK YOU!
