**To Mr. Dixon's Title I Students:**

I'm sending this communication to your parent(s) to give to you. Please discuss the following with your parent(s). Please get help from your parent(s), if needed, when completing your at-home schoolwork.

Our State of Michigan Governor, Gretchen Whitman, declared a state of emergency due to the possible spread of the coronavirus. She closed ALL Michigan schools until April 13, 2020 (**new date**). I am providing some educational resources to enable you to avoid the learning gap that might occur during your time away from school. Hopefully, we'll be able to return to school by Monday, April 13. If not, I'll send more educational resources. The IXL work is a resource - **NOT** a required assignment.
