

August 7, 2019

Dear Dassa McKinney Elementary School Parents and Guardians,

This letter is to inform you of a program through our school called the "Weekend Power Pack". The Weekend Power Pack is a program offered to the students at the Dassa McKinney Elementary School through the support and donations of the Moniteau Community. The Weekend Power Pack is a way to assist students in receiving the nutrition they need to return to school on Mondays ready to participate and learn. The Weekend Power Pack bags are distributed on the last day of school before the weekend or break. Each bag contains items for breakfast, lunch, dinner and snacks.

All children that attend the Dassa McKinney Elementary School are eligible for this program. Parents are able to opt-in and opt-out their children from the program at any time. If you believe your child could benefit from this program, we encourage you to sign them up by completing the online form or by contacting 724-637-2091 Ext. 1760 or jjellefrow@moniteau.org. This information is kept confidential by the school district. The link for the online form is listed below and is also available on the Dassa McKinney Elementary School Webpage or the Moniteau School District Food Service Webpage. The link for the online form is: [**https://tinyurl.com/dassapowerpack**](https://tinyurl.com/dassapowerpack)

The program is run completely by volunteers who help coordinate with our school to pack food bags weekly and organize fundraising and donation drives that keep the program running. All student information will remain confidential by the school district. If you are interested in sustaining the Weekend Power Pack program, please visit the Moniteau School District webpage or contact 724-637-2091 Ext. 1760 for more information.

Sincerely,

Jennifer Zellefrow, RDN, LDN
Director of Food Services
Moniteau School District
