

Bus 1:
North

The bus heads north on 308 and makes a right onto Branchton Road. The bus makes a stop in Ridgeville. (Appx 5:20) The bus turns around and heads back out Branchton Road to Route 308, heading north towards Boyers. (Appx 5:25) The bus makes a left in Boyers onto Boyers Forestville Road. The bus continues along this road and will make a left onto Harrisville Road continuing along until Branchton Road. The bus turns right onto Branchton Road and heads to New Hope Road. (Appx 5:45) The bus travels north along New Hope Road which eventually will turn into Allison Road. The bus will come to the intersection of Allison Road and 58 (Appx 5:55). The bus will turn right and head towards Eau Claire. (Appx 6:05) The bus will then head south on 38 to Trader Horn. (Appx 6:15) This is the end of the route and all students must unload at or before this stop.

Bus 2:
South

The bus heads south on 308 and makes a right onto Keister Road. The bus continues along Keister road to the transformers at the top of Coaltown Hill and turns around. The approximate time at the turnaround is 5:25. The bus comes back across Keister Road and makes a right onto North Beaver Dam Road. The bus continues down Beaver dam road to the intersection of Route 138. The bus would be at this intersection at about 5:40. The bus makes a right onto 138 and goes out to the Muddy Creek Church. The bus turns around and heads back across 138 into West Sunbury, with a stop at the fire hall. (Appx 5:55)

The bus then heads across Hooker Road, past Dassa McKinney elementary into Hooker- with a stop at the antique store. (Appx 6:05) The bus then heads north on Route 38 to the Beer Garden. (Appx 6:15) This is the end of the route and all students must unload at or before this stop.

** If you live along the travel route of the bus, the bus will drop the students off at their home.

**If you do not live along the travel route of the bus you will need to meet your student at the closest location to your house.

** The student is responsible for telling the bus driver what stop they intend to disembark at when leaving the high school,
