October 13, 2021

Dear Parent or Guardian:

The West Sunbury Volunteer Fire Department has a goal of putting a smoke detector in the home of each student attending Dassa McKinney Elementary. The fire department has a limited number of smoke detectors available for families that do not presently have a smoke detector in their home. We are sending this memo to all families of Dassa McKinney Elementary School students. If you do not presently have a smoke detector in your home and would like to participate in this program, please return the bottom portion of this memo to the school office **by Monday, October 18, 2021.**

The smoke detectors will be distributed on a first come, first serve basis, as your slip will be numbered when your child returns the form to the office. Hopefully, we will have a smoke detector for all those who would like to participate. Representatives from the West Sunbury Volunteer Fire Department will be at school to distribute the smoke detectors to the students who returned their slips.

Sincerely,

Dustin M. Thompson
Principal

I would like to participate in the West Sunbury Volunteer Fire Department Smoke Detector Program.

Student's Name: _____

Parent's Signature: _____

Teacher: _____

Please return no later than Monday, October 18, 2021.
