### MESSAGE FROM PRINCIPAL ASHLYNN CAMPBELL

Dear Harrison Families,

I am sending out one more communication as we prepare for the first day of school on Monday, August 17. First, I want to let you know that our teachers and staff have worked tirelessly the past three weeks to prepare for digital learning. They have done a great job preparing lessons, working on videos, collaborating with their teams, and creatively planning for the world of learning in a digital classroom. We are truly blessed to have such amazing teachers and staff for our Hoyas! I am always inspired by their dedication and passion for our students, especially now during this unprecedented time of education.

As we all learn to navigate our school district's CTLS platform, our theme will certainly be flexibility and patience. We may face potential technology glitches, but we will work together to adjust plans and communicate as needed. Our teachers will be monitoring attendance next week, but we **will not** be penalizing students for technology issues.

On Thursday, you should have received information from our school district for a CTLS Learn orientation for students: <http://www.cobbk12.org/ctls/>. To prepare for Monday morning, I would encourage all students to log in early. Since classes start at 8:00 a.m., waiting until 7:55 a.m. on Monday morning is probably not a good idea with thousands of students logging in at the same time. The earlier students log on the better!

To assist with technical support, we have created a page on our school website called "Remote Learning Information." It is one of our blue links on the left-hand side of our website and can be accessed at <http://www.harrisonhigh.org/Remote-Learning-Information>. If you have issues logging on or are looking for CTLS resources, our "Remote Learning Information" page should answer most of your questions. If you have questions over the weekend that cannot be answered by visiting this page, please email our media specialist, Emily McGinnis, at [EMILY.MCGINNIS@cobbk12.org](mailto:EMILY.MCGINNIS@cobbk12.org). She will be monitoring her email throughout the weekend to assist with log-in issues.

Also on our "Remote Learning Information" page is Harrison's Virtual Learning Plan which was in the weekly eblast this past Tuesday. I encourage you to review this document again by clicking [here](#) as a reminder for how we will interact, teach, and connect with our students each day.

I know many of you feel like you are on information overload, but I hope our resources will help our families have a successful start to the school year. Thank you for your patience, flexibility, and support as we continue to navigate this new learning experience. Our Harrison community is ROCK SOLID, and I know our continued partnership will continue to flourish for our students.

Sincerely,

Ashlynn Campbell

Principal

## **REMOTE LEARNING INFORMATION**

We have added a new page to help during remote learning for all of our Hoyas. We will be providing resources, links, and information all in one location for you to review as needed. We will update this page as new information becomes available, so we encourage you to check back often. <http://www.harrisonhigh.org/Remote-Learning-Information>

## CCSD LEARNING EVERYWHERE

Please continue to check our school district's Learning Everywhere website at <https://www.cobblearningeverywhere.com/>.

## **HOYA FEE FORM**

Hoya Fees form can be found in the Hoya Hello area of the website. Parents need to go into [My Payments Plus](#) to pay their fees – if they pay by Sept 4th, their student receives a Hoya Pride t-shirt.

## **HOYA HELLO**

Hoya Hello for the 2020-2021 school year is completely virtual. The Hoya Hello page is now posted on our school website, and it has all the information you will need to get started for this school year. Please visit our website or click [here](#) to view all of our information. This virtual experience is not live, so you will be able to access the information and our welcome videos on our Hoya Hello page whenever you like. We will be sure to leave this information on our website for the rest of the school year so you can reference information if needed. Even though we are virtual, please know that everyone at Harrison is looking forward to seeing our Hoyas! Please contact Dr. Sitten at [mandy.sitten@cobbk12.org](mailto:mandy.sitten@cobbk12.org) if you have any additional questions regarding Hoya Hello.
