

Governor's Honors Program

The Georgia Governor's Honors Program (GHP) is a residential summer program for gifted and talented high school students who will be rising juniors and seniors during the program. The program offers instruction that is significantly different from the typical high school classroom and that is designed to provide students with academic, cultural, and social enrichment necessary to become the next generation of global critical thinkers, innovators, and leaders.

An applicant information session is held in September of each year and the school application period is from early September to mid-October. More information about both the program and the application process can be found at: http://leagueland.typepad.com/harrison_ghp/
