

## Applerouth Tutoring Services

Applerouth Tutoring Services is offering an SAT prep class at Harrison HS. The class includes three mock exams, 18 hours of instruction, and all student materials.

Applerouth has been preparing students for college since 2001. To learn more about Applerouth, please visit [our website](#).

Motivated students in our interactive group setting learn the major SAT concepts and strategies needed to master the exam. As a participant in the classroom, you will receive test guides and session notes that help simplify the studying process. Additionally, you will receive detailed mock test results that allow us to track improvement, and enable us to alter lesson plans based class-wide results.
