

Transcript Requests

Transcripts

A student's cumulative academic record is listed on their transcript. Official transcripts are required for all college applications. In order to be valid, transcripts must be sent directly to the school by Harrison in a sealed envelope.

If you are a senior, you can send transcripts to in-state schools and the NCAA Clearing House on GA College 411 for free. The School Counseling Office can mail transcripts to out of state schools for a \$2 fee per school. There is a 24 hour turnaround time for transcript requests. Please consider the 24 hour turn around, the post office delivery and college admissions deadlines when making your request.
