CCSD REOPENING PLAN

Registering for Online Learning for 2021-2022

Last week, [Superintendent Ragsdale announced online learning choice for the 2021-2022](#) school year. All families can now register their middle and high school students for the new Cobb Online Learning Academy. The current registration window only applies to the Cobb Online Learning Academy and middle or high school students interested in **full-time** online learning.

The current registration window does not include students interested in part-time online learning or elementary students interested in full-time online learning. Middle and high school students interested in **part-time** online learning will be able to register through the Cobb Virtual Academy while high school students interested in alternative, full-time blended learning will be able to register through Cobb Horizon High School. The registration window for rising **6th-12th grade** students will be open **March 22-April 2**.

Only families who want to opt-in for online learning need to register. If families do not opt-in for online learning, students will be automatically enrolled in face-to-face learning for the new school year.

To get started, families will log in to [ParentVUE](#) and look for the “Online Learning Opt-In” button located in the left column.

To allow for appropriate staff scheduling and to keep students on track for the grade level, the District's expectation is that families who choose online learning will do so for the entire 2021-2022 school year.

Please visit our digital home for all of online learning in Cobb County at www.cobblearningeverywhere.com where you will find additional details on each of the four online learning options being offered to you and your family.

Temporary Changes to Weekly Calendar for All Cobb Students as Interested Cobb Educators Sign Up for COVID-19 Vaccinations

To give all interested Cobb educators the chance to receive COVID-19 vaccinations, the Instructional Support Days for this week will be move from Wednesday, March 24 to Friday, March 26. The Instructional Support Day will return to its regular schedule on Wednesday, March 31.

After extensive preparation and coordination with Cobb & Douglas Public Health, Cobb Schools is pleased to announce the District's COVID-19 vaccine distribution plan.

After staff members receive their first dose of the COVID-19 vaccine, they will be scheduled for a second dose on April 16, April 17, April 23, or April 24.

Instructional Support Days will again move from Wednesday, April 14 to Friday, April 16, and from Wednesday, April 21 to Friday, April 23 during the second round of vaccine administration.

Please remember that our local school information is located at the following link on our school website at [Harrison Remote Learning & Reopening Plan](#). We will continue to keep updated information on this page of our school website.

EXTENDED LEARNING

We will be offering an extended tutoring program to assist students in all major content areas. Sessions will be held at Harrison High School or virtually either before or after school on the dates and times listed on our website.

What are the benefits? Harrison's extended tutoring program is the window of opportunity to increase a student's skills in the academic areas.

Do I need to arrange transportation? Yes, transportation will NOT be provided for the program. All students will need to be picked up from all extended tutoring sessions at the ending time.

Do I need to supply any materials? No. All supplies will be provided to the student.

Is homework assigned? There will be no homework assigned.

What do I need to do as a parent? Please check out the Extended Learning page on our website to find what your student needs support in. Click [here](#) for more information.

If you have any questions or concerns, please do not hesitate to contact Dr. Sitten at mandy.sitten@cobbk.org.

KEEPING OUR STUDENTS FED

All breakfasts and lunches for remote and face-to-face students are provided to students at no cost. Families also do not need to pre-order student meal kits, which include items that can be reheated at home. Reheating instructions and a menu are included with the meal kits. Menus for meal kits and in-person meals are also available on the [Food and Nutrition website](#).

CLUBS

H.O.Y.A. AWARDS

Each year, the student council of Harrison High School sponsors the H.O.Y.A. Awards-- Highlighting Our Year's Accomplishments. The awards ceremony celebrates the arts, athletics, and academics of our school as well as noteworthy community and school service endeavors. This year will be a virtual event, but we still want to recognize all of the amazing things we do at Harrison.

Student Council asks for nominees from everyone in the Harrison community (teachers, parents, administrators, staff, and students). Judges from outside the Harrison community rate the nominees. The nominee with the highest compiled score receives the award. The top 5 nominees in each category will be recognized at the virtual event in April. We will send more information about the event as soon as we finalize the plans.

Polls close on March 26th so be sure to get those nominations in as soon as possible. If you have any questions, feel free to contact the student council sponsor at lindsay.riley@cobbk12.org
