# Building Community @ ISP

The ISP PTA strives to support and advocate for our children by strengthening community and creating opportunities to partner with staff, families, and the wider community. Our goal is to create a safe and healthy learning environment where student can excel and feel confident in themselves.

As an ISP parent, you are a member of the PTA. You don't have to come to every meeting or chair a committee, please feel welcome and appreciated to participate as you are able.

Working together, we can truly make a difference at the school and in the lives of our children. Your involvement with the PTA will benefit everyone, but the greatest reward is seeing the smile on your child's face when you are involved in their world.

We THANK YOU (big time) in advance for your support and participation. Let's make it a year to remember!

### Monthly Meetings

The PTA meets from 10-12 on the first Wednesday of each month to discuss our business and plan fun events. All parents are encouraged to attend and participate as able.

### Language and Intercultural Program

Last year, with great success a weekly language and culture program was started in English, Spanish, Portuguese, and French. Join us to learn and laugh together.

### Dolphin Dispatch Updates

Please check the school's weekly newsletter, The Dolphin Dispatch, for details on specific dates and times.
