

"AUTHORIZED NCSIG REMEDIATION VENDOR LIST"

There are now Emergency Remediation Protocols as respects
"Authorized Remediation Vendors" used by Members

Per the Property Loss Prevention Policy, failure to utilize an Authorized Remediation Vendor below will result in a \$100,000 Higher Self Insured Retention (SIR) or put the burden on the NCSIG member to pay the difference of the Remediation Vendor bill from what the NCSIG Remediation Vendor Agreement would have paid an "Authorized Remediation Vendor".

To avoid this scenario, please use one of the below "Authorized Remediation Vendors".
The vendors are listed in alphabetical order, not in order of preference by NCSIG.
