

## **Applied Algebra , Good, Week 7 May 11 - May 15**

**All online work is due by the end of each week. So this week work is due by May 15. If completing paper packets they will be due by the end of the week via picture of work sent to my email or remind. Students may work ahead and turn in as soon as they complete the task.**

The first week of assignments have been uploaded online and students will receive their packets early next week. The materials are the same thing just the online provides interactive hints and videos to guide instruction.

**Monday May 11:** Read and take notes over 10.2

**Tuesday May 12:** Watch the 10.2 Math on the spot video. Complete the check understanding assignment for 10.2

**Wednesday May 13:** Complete 10.2 Homework 1-25 Every Third

**Thursday May 14:** Complete 10.2 Homework 2-26 Every Third

**Friday May 15:** Complete 10.2 Homework 3-27 Every Third

**If students have any questions please email me or send me remind message. Just like regular class setting if you send me the picture of the problem it makes it easier for me to see what you need help with. I then can work out problems with explanations and send picture or video back to you.**
