

FIRST GRADE LESSONS

Mrs. Conklin

Mrs. Froehlich

Mrs. Patrick

Ms. Ritz

Week 8

~COMPLETING ASSIGNMENTS WORK WEEK~

We would like this to be a week of completing any missing assignments from Week 1 through Week 7. Please remember we only need the “Required Assignments”.

Each weekly packet can be found on the western-reserve.org website and you can print missing assignments directly from there.

****Please complete all missing “Required Assignments” by Monday, May 25th. This will allow us time to post everything in Progress Book so that we may begin completing end-of-the-year report cards.**

If you have any questions please reach out to us through the *Remind* phone system or our school emails.

bconklin@western-reserve.org

dfroehlich@western-reserve.org

dpatrick@western-reserve.org

jritz@western-reserve.org

****Also, this would be a great time to do/send assignments for music, gym, and art. The specials teachers would appreciate it. Send them to dhenry@western-reserve.org, wmarrett@western-reserve.org, and mtansey@western-reserve.org**

Listed below are some ideas of things to practice during this week, if you choose to.

High Frequency Words: Gather up each week's sight words and see how quickly you can read them.

Some ideas are: Set a timer for 2 minutes and read as many words as you can. Set a timer again for 2 minutes and see if you can beat your number of words. Time how long it takes for you to read ALL of the words. Choose 8-10 sight words and make up a sentence using each word. Say your sentences orally to someone.

Reading: Choose a story book to read. This could be a book of your own, or you can go on the Epic! Website and read a story. To see if you comprehended the story take an AR Test online.

Math: Practice addition and/or subtraction math facts. If you don't have fact cards have a parent or sibling name off a fact for you to answer. (You should be able to do addition and subtraction facts to 20 to be prepared for second grade).

Go on any of the educational websites we have been working on during home-schooling. I-ready, ABCMouse, Epic! Story book website, Accelerated Reader, Scholastic, abcyu, and/or any other educational sites to practice a variety of skills.

****Again, remember to explore some of the Art, Gym, and Music assignments/activities and send a picture to those teachers.**
