

One Call Now Message

- Good afternoon.
- This is Rodge Wilson, Superintendent of Western Reserve.
- Today is Friday, March 13, 2020.
- In compliance with Governor DeWine's order, Western Reserve Schools are closed from today through Friday, April 03.
- All athletic practices and athletic events have been postponed.
- After spring break, we will begin the process of providing educational materials to our students.
- We will also begin working on providing meals for students who would like them.
- On Monday, March 23rd, you will be receiving a phone call from one of your child's teachers. Your responses to the teacher's questions will allow us to best prepare specific plans to meet the nutritional and academic needs of your children. It is imperative you respond to this call so we can tailor the delivery to your child for the duration of our state's mandated closure.
- Follow up questions regarding specific school actions can be directed to my office or to each of the school's principals.
- Thank you.

Rodge F. Wilson
