

Western Reserve Elementary Character Counts Program

Super Kid of the Week (K–3)

Outstanding Student (4–6)

This is a weekly award. Teachers nominate students, and we post pictures of the students (with the reason for the award) in the auditoria for the week. Students receive their picture, a pencil, and a button from the principal.

Student of the Month

This is a monthly award, given by grade level. Teachers nominate students based on the students' demonstration of the six pillars of character. We post pictures of the student (with the reason for the award) in the auditoria for one month. We also post an article and picture featuring these students in the Western Front. Students receive their picture, a certificate, and a pin from the principal.

Rider Pride

This is a weekly drawing. Teachers, educational aides, secretaries, custodians, bus drivers, and other students can nominate students for specific acts of character. When a student's name is drawn, he or she picks from a prize box and receives a Rider Pride form. All nominated students receive a Rider Pride form.

Rider Rewards

Fifth and sixth grade students have the opportunity to earn a Rider Reward card. These cards are based on points earned quarterly and entitle the students to earn extra privileges and activities.
