

# Wilson Accelerated English Program

## Goals:

1. For all students to meet academic standards
2. For all English learners to transition into Mainstream Classes (by passing the AZELLA) in one or two years

## Grouping

Students enrolled in grades K-5 will be grouped in language proficiency bands within their grade levels. Students in grades 6, 7 and 8 will be enrolled in sections of English Reading, English Writing, Oral Conversation and Academic Vocabulary, and English Grammar classes according to their language levels across grade bands.

Students will be tested upon enrollment with the AZELLA, and teachers will pre-score the test in order to place the students accurately in appropriate classrooms. In some cases, students may be moved after the official scoring is completed.

Class Size for Pre-Emergent and Emergent groups will be 20-23

Class Size for Basic and Intermediate groups will be 25-28

## ELL Curriculum Resources

### Reading

SRA Reading Mastery

Open Court EL Components

Santillana Reading

Harcourt Trophies, EL Components

Rewards
