May 24, 2021

With just a few days left of the 2020-21 school year, I would like to take this opportunity to thank everyone who made this year of learning possible. To our staff for doing the things to help make our buildings safer and for having the flexibility to deliver instruction remotely as needed. To parents, for allowing us to provide in-person and virtual instruction when so many schools across the country did not go back until late spring, if at all. And to our students, who adapted so well to restrictions that were in place the majority of the year. As we close and celebrate another successful school year, we look forward to another exciting year beginning again in August. I am grateful for all the hard work that went into this one. Thanks!

Summer Meals

Free meals will be provided this summer at Lander Middle School Monday through Thursday, beginning Monday, June 7th and ending Thursday, August 5th. More information can be found on the district food services web page [here](#).

We're also very thankful for the staff we've had helping distribute meals throughout the year. As of last Thursday (5/20/21), the kitchen staff had handed out 63,365 free meals to families.

COVID-19 Update

There is one new confirmed case in the district to report. With changes in health orders, the board last week voted to not require masks on buses. In addition, the Wyoming Department of Health removed indoor restrictions for K-12 districts. [This link](#) takes you to the WDH website and the announcement.

End of Year Survey

[Here is the link](#) to an End-of-Year survey. Please take a few minutes to fill it out as it will help us plan for next year and continue to look for improvements.

Curriculum Corner

The FCSD #1 schools are schoolwide and targeted Title I programs. In order to plan and have an effective program, it is important for us to have your opinions. Please complete [this short survey](#).

Dave Barker
Superintendent

"In partnership with families and community, we educate students to become responsible citizens who respect one another and have the motivation, skills, and knowledge to succeed."
