

## 2020-2021 Lander Middle School Supply List

**Supply List:** In the past, LMS has always provided a school wide supply list. Because students will not be able to use lockers this year, there is no way we can safely physically distance ourselves in the hallways and grade level pods, we have greatly condensed the supply list into materials that can easily be carried in a backpack. Students will carry their backpack to each class. Students will need the following for ALL grade levels:

- Backpack
- 2 inch binder with 8 dividers
- College ruled notebook paper
- Pencil bag that contains the following:
  - #2 pencils
  - Individual pencil sharpener
  - Highlighter
  - Colored pencils
  - Blue or Black pen
  - Eraser
  - Glue Stick
  - Individual earbuds (No AirPods or other Bluetooth earbuds)
- Spiral Notebook
- Composition Notebook
- Facial covering (cloth mask or buff)
- Personal Water Bottle

Students who choose the virtual learning option through LMS will also need the supplies listed above. Supplies for class such as textbooks, math manipulatives, and science lab materials will be provided by LMS.
