## **District Update October 8, 2021**

### **Portrait of a Graduate**

A little reminder that if you haven't had a chance to provide input on the Portrait of a Graduate work we're doing, please use [this link](#) to participate in a ThoughtExchange survey. You will be asked an open-ended question and then have the opportunity to rate other persons' responses. This will help us as we develop this document that will guide our strategic planning work. Thank you in advance for your help.

### **Executive Functioning Webinar**

#### **[Executive Functioning: Helping Your Child Succeed](#)**

Baldwin Creek Elementary invites K-8 parents to join us as we kick off our four-part series with Executive Function Coach Sarah Kesty on Tuesday, October 12th at 6:00. Supporting your child's executive function development will empower success at home and at school by improving organization, attention, emotional regulation, and flexibility. There are two ways to attend. You can join us for a live-streaming of this event at BCE or join from your home through Zoom using this [link](#). If you have any questions, please contact Lisa Friday at 332-6967.

### **Substitutes needed**

If you or someone you know would be interested in substituting in the district, we would love to have you apply. We recently increased the classroom substitute rate to \$140 per day for PTSB-certified subs and \$150 for certified teachers. We are also offering an incentive for substitutes across the board (teaching, para, custodial, food service, bus driver, etc.) The more a sub works, the more they receive, starting at just 10 days. Contact Carol in Human Resources (307-332-4711) with questions or see the website to apply.

*"In partnership with families and community, we educate students to become responsible citizens who respect one another and have the motivation, skills, and knowledge to succeed."*

Dave Barker  
Superintendent
