District Update September 17, 2021

COVID-19 Health Summary

We have updated the health summary page to include quarantine numbers in addition to the positive case numbers we have been reporting. These numbers represent the total number of six buildings that make up our district. There are two columns reflecting quarantine numbers; the first represents those close contacts that have chosen to quarantine at home, and the second column represents those that are asymptomatic and have chosen to return to school wearing a mask. Please note that these numbers represent an end of the school day attendance snapshot as it relates to COVID-19 positive cases and related close contacts. Due to many variables these numbers are in a constant state of flux. Every day there are students and staff returning to school after completing their isolation, close contacts returning to school wearing a mask and new COVID positive cases isolating at home.

Lander Schools Podcast

The first podcast of the school year has been recorded and is available to listeners. Our first guest this year is LVHS Assistant Principal, Hillary Reisig. You can access the [podcast](#) from our website's homepage.

Board Meeting

A reminder that FCSD1 Board of Trustees will be meeting September 21st at 6:00 p.m.. Through November, the Board will hold twice monthly meetings on the first and third Tuesday of each month. The agenda for next Tuesday's meeting will be updated on our website this Saturday. You can find the agenda and zoom link for next week's meeting [here](#).

Dave Barker
Superintendent

"In partnership with families and community, we educate students to become responsible citizens who respect one another and have the motivation, skills, and knowledge to succeed."
