

Ki Charter Academy
Admissions Application
SCHOOL YEAR:_____

Welcome

Thank you for your interest and desire for your student to attend Ki Charter Academy. Admission is a nondiscriminatory process; applicants will not be discriminated against based on race, color, religion, sex, or national origin.

Application Process:

Please indicate the number of students you wish to submit an application to attend Ki Charter Academy and provide information for each of your children along with family contact information in order to receive any notifications from the school. If Ki Charter Academy receives more applications than seats available in a grade level, Ki Charter Academy will conduct a lottery to allow for a nondiscriminatory selection process. Applicants not allotted a seat via the lottery process will be placed on a wait list and notified as seats become available.

Only one application per year, per family will be maintained. Please refrain from submitting multiple applications per student.
