Principal's Message

— ♥ —
APRIL

Dear Holy Trinity School Families,

Thank you for helping us celebrate Mrs. Cota, Mrs. Ray, and Mrs. Maxwell, on Administrative Professionals Day yesterday! We are truly blessed to have these phenomenal women with us here at Holy Trinity! Our school's success is a reflection of their dedication and hard work, and we appreciate all they do to keep our school running smoothly throughout the year!

With only 34 more days of instruction, we strongly urge you to continue doing your part with your families by practicing the *same* "[Big 4](#)" healthy and safe protocols even while outside of campus, and when gathering with others outside of your household. Let us continue to navigate through this unique time safely for our *entire* HT family.

Thank you to the students and families that have been actively raising money for our Jog-a-thon School Fundraiser. As of today, we have raised \$4,165. We have three more weeks to try to reach our school wide goal of \$20,000. Thank you in advance for your continued support!

As of today, **92%** of our current families have already registered and guaranteed their child's spot next school year. If you haven't already done so, we encourage you to register your child/ren *as soon as possible*, as space is limited in each of our classrooms next school year due to continued Covid-19 safety protocols. We are continuing to meet with families interested in sending their children to HT. More than half of our classes are already at 75% capacity or more. As mentioned in previous communication, spots will be filled on a *first come, first serve* basis.

**SPACE
IS LIMITED!**
REGISTER TODAY

If you are still looking to fulfill your volunteer hours for the school year, I have some ways that parents can help us with marketing for our wonderful school. Please feel free to email me if you are interested in ways that you can help our school grow and thrive. Our future at HT is looking bright and I am so blessed to be a part of it!

Thank you for your continued efforts in making the health and safety of our *entire* school community a *top* priority. We are truly grateful for *everyone* in our HT Hawk family! I know that He will see us through because God is good all the time! And all the time, God is Good! Do good and be good!

Together in Mission,

Mrs. Marentez

STUDENT COUNCIL EARTH DAY PROJECT

Congratulation to second grade for collecting the most litter on the school grounds this week. Second graders may wear jeans tomorrow with their school uniform polos as their reward! Thank you, Mrs. Connell and the student council, for organizing this event in celebration of Earth Day.

We were completely overwhelmed by the expression of gratitude bestowed upon us yesterday. Thank you for your kind words, cards, emails, flowers, plants, gift cards, sweet treats, food, balloons, and our very own parade! We definitely feel the LOVE and words cannot express our heartfelt appreciation for our HT family. We are blessed beyond measure and are forever thankful for your thoughtfulness.
