Principal's Message

Dear Holy Trinity School Families,

TOGETHER

Together

We have all made it through week four of this unprecedented time of temporary school closure together.

We literally jumped right into distance learning without any training only two days after we officially announced school closure together.

We learned how to create and join Google Classrooms to help the transition of our classes online together.

We figured out how to still stay connected and meet with our school community virtually through various web tools and platforms together.

We have navigated through these "uncharted waters" without a guide, and are still managing to stay afloat together.

Navigating Uncharted Waters

We are still learning and evolving how to sustain our distance learning for the children together.

We have all had to transform our homes into remote workspaces for ourselves and our children at the same time together.

We have all experienced challenges of how to balance working from home and teaching our children simultaneously, as well as abide by the "stay at home" orders together.

We have all experienced fear, anxiety, and stress due to all the uncertainty with the Covid-19 pandemic our world has had to face.

We have leaned on our faith and gathered for various opportunities to pray together.

Holy Week Schedule

Dear Holy Trinity Family -

Although we cannot come together for public Masses during this holiest time of the year, our priests, Father Rey Manahan and Father Rey Evangelista, will be celebrating Easter Masses and making them available for you to view through the Flocknote platform. Please join your community in virtually celebrating these sacred masses at the times listed below:

Thursday, April 9 at 7pm
Holy Thursday – Mass of the Last Supper (Bilingual)

Friday, April 10 at 3pm
Good Friday - Veneration of the Cross (Bilingual)

Saturday, April 11 at 8pm
Easter Vigil Mass (Bilingual)

Sunday, April 12
8am Easter Sunday Mass (English)
10am Easter Sunday Mass (Spanish)

TOGETHER WE CAN

Yet through it all, despite all of our challenges and success, one thing has remained. We have joined as ONE Holy Trinity School family together. We have supported each other through this trying time together, and we are going to make it through together. As a faithful Catholic school community, we have displayed our strength and resiliency together.

There are not enough words that would be able to convey the genuine gratitude I feel for God blessing me with the opportunity to be part of such an amazing school community! It has definitely been an arduous journey as my first year as principal, but I am up for the challenge! I truly know in my heart that there is no other school that I would rather be with right now than Holy Trinity because this family will overcome any adversity together. The endless love, support, and positive words of encouragement have definitely motivated and inspired our faculty and staff during this challenging time.

Time for a break

I encourage all of our families to take this upcoming Easter break to do just that - take a break. Make some time to relax, breath, and just enjoy the presence of your family together. I also encourage you to participate in faith opportunities available online during Holy Week. I recommend utilizing [Holy Week at Home Family Retreat](#), a great online resource of a suggested schedule and activities that our junior high religion teacher, Ms. Raban, created for our students to experience this week with their families together.

Thank you for your continued support and cooperation. This unique time is new and different for all of us. We are all in this together and God will see us through because God is good... all the time! And all the time... God is good!

With Gratitude and Love,
Mrs. Marentez
