Dear Holy Trinity School Families,

I cannot believe how fast this year went by! I know this may not be the way we wanted our school year to end, but I truly thank you for your continued understanding and support during this unprecedented time. We made it through together!

As the year comes to an end today, and our summer vacation begins, we are eagerly looking forward to reopening school for the 2020-2021 school year as scheduled on Wednesday, August 19. Fortunately, having small class sizes allows us the opportunity to open our classrooms up for daily full in-person instruction, adhering to the CDC guidelines for reopening schools. We will continue to recognize the health and well-being of our school community as our top priority to ensure that our students, teachers and staff can confidently return to a safe and healthy campus that is conducive to learning, work, and faith formation. Therefore, we will continue to assess the appropriate actions and necessary safety protocols and procedures to meet the unique needs and circumstances of our Holy Trinity School community, as well as adhere to the health standards and physical distancing protocols we anticipate being recommended by the California Department of Education and the Health Departments of San Diego and Imperial Counties. Based on the latest CDC guidelines, Holy Trinity School will have increased safety and cleaning measures, including taking students' and staff's temperatures daily, spacing desks out to allow for social distancing, ensuring good air ventilation and adjusting capacity limits for classrooms and common spaces. All students and staff will be required to wear masks throughout the day. In addition, no visitors or volunteers, including parents, will be allowed on campus. Those are just a few of the measures we are required to implement next school year in order to reopen our schools safely to full in-person instruction. We are also ready to transition into distance learning in the event of another stay-at-home order from state and local government. We promise to keep you informed as these plans evolve.

Due to the economic impact our school has had due to the effects of Covid-19 pandemic, necessary reductions and layoffs were made to address our school deficit, the result of closing school for nearly the last three months of the school year. It is with sad news that Ms. Morrissey and Mrs. Svoboda will not be returning next school year due to budgetary cuts. We thank them both for their years of dedication and service to our school community. We also thank Mr. Urtz for his years of service to Holy Trinity School. Many in our school community will remember Mr. Urtz with fondness for providing fun to many situations. We wish him the best in his future endeavors.

With over twenty-one years in Catholic education, I approached Mrs. Connell with an opportunity to teach 4th grade. After careful consideration, and recalling fond memories from her twelve years of teaching fourth grade, Mrs. Connell willingly accepted the position. Moving forward, I will continue teaching ukulele to the fourth grade.

Please join me in welcoming Ms. Lauren Maune, our new 3rd grade teacher. She is a graduate of San Diego State University, holds her Multiple Subject Teaching Credential, and is in her final summer session of completing her Masters in Teaching Literacy K-12. She is a native to San Diego and is excited to move back home as she finished out this school year teaching at Blessed Sacrament School in the Archdiocese of Los Angeles.

Thank you again for your continued support and cooperation this school year. You have all made my first year as principal a very memorable one! I wish you all a wonderful and safe summer. Congratulations again, to the 8th grade class of 2020! We look forward to celebrating you and your accomplishments at the culminating in-person graduation Mass and reception on Friday, July 17.

God is good... all the time! All the time... God is good!

All the Best,
Mrs. Marentez

ALERT

As of the today, the yearbooks have not yet been delivered.

Year end drop-off/pick-up!

Tuesday, June 9, 2020 9am-2pm

Parents: Holy Trinity School will have a final drop-off/pick-up day Tuesday, June 9 from 9am-2pm. This will allow families the opportunity to pick up any items left in the classroom and drop off school textbooks used at home during Distance Learning. The same directives will be in place as a weekly "Tuesday Drop-Off"; tables will be set up outside the gates. Faculty/staff will be on hand to receive/give materials. Once the family has received clearance from the staff member, report cards will be distributed.

Please pick-up and drop-off in an efficient and expedient manner. Thank you for your cooperation.
