### **School Description**

Cedarcreek Elementary School is a dedicated compassionate community that respects every scholar's ability to learn, persevere, and succeed.

Cedarcreek is a California Gold Ribbon School that provides all learners with a well rounded elementary school education focused on a rigorous student centered academic program. An emphasis on developing academic language across disciplines prepares our students for bold explorations of 21st century learning challenges. Students participate in a hands on Culinary Arts program designed to teach integrated math and science skills as well as healthy living choices. Opportunities for students to apply the "FOUR C's"-Critical Thinking, Communication, Collaboration and Creativity are evident in all classrooms through arts integration and project based learning. A California Silver Award winning school, Cedarcreek implements the PBIS, Positive Behavior Intervention and Support system of teaching behavior expectations. We teach students consistent school wide behavior expectations and acknowledge it in our R.O.A.R. motto; that is Respect, Own your actions, Act safely, and be Responsible.

Cedarcreek Elementary School offers a variety of after-school intervention and enrichment opportunities for our students. Students who are at-risk receive an extended day with specific instruction that will allow them to meet grade-level proficiencies. We have a variety of enrichment classes, such as music, art, robotics and cooking classes, available to all students throughout the school year.

Newsletters from students' teachers are sent home in both English and Spanish to keep our community informed as to what is happening at Cedarcreek. Other forms of communication come from the Principal and front office in the form of a monthly calendar, newsletters, and phone messages. Cedarcreek also maintains a school website for parents to access from any computer terminal.

Our goal is to provide an educational experience that inspires each individual student to love learning, embrace challenges, build character, and cultivate creativity so that our students grow up to be kind and caring citizens.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### 2019-20 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	N/A	N/A	N/A
7	N/A	N/A	N/A
9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

We are very proud of our Parent Engagement Program, which we call Partners in Learning. Throughout the school year we will offer opportunities for parents to learn and practice skills with their student/s. Coffee with the Principal gives parents an opportunity to hear directly from the principal about a variety of topics and a chance to voice any concerns and share suggestions. Parents can be involved in a variety of ways: helping in their students' classrooms, participating on our Site Council, joining our English Language Learner Advisory Committee, PTA activities and Community-Based Education Training.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan (School Year 2020-2021)

Cedarcreek Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Cedarcreek Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted quarterly and include earthquake and lock down.

Cedarcreek Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.
- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.2	0.1	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

Cedarcreek Elementary School's focus in professional development is implementing a comprehensive and systematic, direct instruction model. Our instructional model is based on current brain research focusing on how children's brains learn best. Our Staff Development days are focused on enhancing our instructional delivery for students at all ability levels, including strategies that best meet the needs of our English Language Learners and at-risk students.

Cedarcreek staff members have been trained in Systematic English Language Development; new teachers will be trained by the end of the school year. In order to meet the needs of English learners during core curriculum a select group of teachers were trained in Constructing Meaning, which helps support integrated language development. Training is continuing with additional teachers participating in training each school year. This training assists our staff members at better meeting the linguistic and academic needs of all of our students.

Technology in the classrooms has also been a focus this school year. All classrooms, kindergarten through sixth grade, have access to Chromebooks or laptops in order for them to learn typing skills, use Google classroom, complete research, and engage in individual lessons on the I-Ready program. Students enrich their mathematical skills in problem solving using on-line NextGen Math. Every classroom also has the newest flat panel technology in order to deliver the most interactive, engaging lessons possible. Professional growth training is provided in the use of these technologies throughout the school year.

In addition, the district provides Teachers on Special Assignment, TOSA, who support our teachers. Our TOSA Staff includes a Physical Education teacher, technology teachers, early Literacy teachers, math teachers, and a science teacher. The TOSAs provide staff development, demonstration lessons, and individual training for teachers throughout the district.
