13. The Contractor and all Subcontractors under the Contractor shall pay all workers on all work performed pursuant to the Contract not less than the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work as determined by the Director of the Department of Industrial Relations, State of California, for the type of work performed and the locality in which the work is to be performed within the boundaries of the District, pursuant to sections 1770 et seq. of the California Labor Code. e. A copy of the Safety Data Sheet (SDS) from the manufacturer of the filter media.

15. All questions about the meaning or intent of the Contract Documents are to be directed via email to the District’s Facilities Manager, Peter Gaytan, at pgaytan@saugususd.org. Interpretations or clarifications considered necessary by the District in response to such questions will be issued in writing by addenda and emailed, faxed, mailed, or delivered to all bidders recorded by the District as having received the Contract Documents or posted on the District’s website at https://www.saugususd.org/Facilities. Questions received less than SEVEN (7) calendar days prior to the date for opening bids may not be answered. Only questions answered by formal written addenda will be binding. Oral and other interpretations or clarifications will be without legal effect.

16. Addenda may also be issued to modify other parts of the Contract Documents as deemed advisable by the District.

17. Each bidder must acknowledge each Addendum in its Bid Form and Proposal by number or its bid shall be considered non-responsive. Each addendum shall be part of the Contract Documents. A complete listing of addenda may be secured from the District.

18. The District shall award the Contract, if it awards it at all, to the lowest responsive responsible bidder based on the criteria as indicated in the Notice to Bidders. In the event two or more responsible bidders submit identical bids, the District shall select the Bidder to whom to award the Contract by lot.

19. Discrepancies between written words and figures, or words and numerals, will be resolved in favor of figures or numerals.
20. Bidders in contention for contract awards shall be required to attend a Post-Bid interview, which will be set within three (3) calendar days following bid opening. A duly authorized representative of the apparent low bidder is required to attend the Post Bid Interview, in person. The apparent low bidder’s authorized representative(s) must have (1) knowledge of how the bid submitted was prepared, (2) the person responsible for supervising performance of the Work, and (3) the authority to bind the apparent low bidder. Failure to attend the Post Bid Interview as scheduled will be considered just cause for the District to reject the Bid as nonresponsive.

21. Any bid protest by any Bidder regarding any other bid must be submitted in writing to the District, before 5:00 p.m. of the \textbf{THIRD (3rd)} business day following bid opening.

   a. Only a Bidder who has actually submitted a bid, and who could be awarded the Contract if the bid protest is upheld, is eligible to submit a bid protest. Subcontractors are not eligible to submit bid protests. A Bidder may not rely on the bid protest submitted by another Bidder.

   b. A bid protest must contain a complete statement of any and all bases for the protest and all supporting documentation. Materials submitted after the bid protest deadline will not be considered.

   c. The protest must refer to the specific portions of all documents that form the basis for the protest.

      i. Without limitation to any other basis for protest, an inadvertent error in listing the California contractor’s license number on the Designated Subcontractors List shall not be grounds for filing a bid protest or grounds for considering the bid nonresponsive if the correct contractor’s license number is submitted to the District within 24 hours after the bid opening and the corrected number corresponds with the submitted name and location for that subcontractor.

      ii. Without limitation to any other basis for protest, an inadvertent error listing an unregistered subcontractor shall not be grounds for filing a bid protest or grounds for considering the bid nonresponsive provided that any of the following apply:

         1. The subcontractor is registered prior to the bid opening.
         2. The subcontractor is registered and has paid the penalty registration fee within 24 hours after the bid opening.
         3. The subcontractor is replaced by another registered subcontractor pursuant to Public Contract Code section 4107.

   d. The protest must include the name, address and telephone number of the person representing the protesting party.

   e. The party filing the protest must concurrently transmit a copy of the protest and any attached documentation to all other parties with a direct financial interest that may be adversely affected by the outcome of the protest. Such
parties shall include all other bidders or proposers who appear to have a reasonable prospect of receiving an award depending upon the outcome of the protest.

f. The procedure and time limits set forth in this paragraph are mandatory and are each bidder’s sole and exclusive remedy in the event of bid protest. Failure to comply with these procedures shall constitute a waiver of any right to further pursue the bid protest, including filing a Government Code Claim or legal proceedings.

22. The Bidder to whom Contract is awarded shall execute and submit the following documents by 5:00 p.m. of the SEVENTH (7th) calendar day following the date of the Notice of Award. Failure to properly and timely submit these documents entitles District to reject the bid as nonresponsive.

   a. Agreement: To be executed by successful Bidder. Submit four (4) copies, each bearing an original signature.

   b. Escrow of Bid Documentation: This must include all required documentation. See the document titled Escrow Bid Documentation for more information.

   c. Insurance Certificates and Endorsements as required.

   d. Workers’ Compensation Certification.

   e. Prevailing Wage and Related Labor Requirements Certification.

   f. Criminal Background Investigation/Fingerprinting Certification.

23. District reserves the right to reject any or all bids, including without limitation the right to reject any or all nonconforming, nonresponsive, unbalanced, or conditional bids, to re-bid, and to reject the bid of any bidder if District believes that it would not be in the best interest of the District to make an award to that bidder, whether because the bid is not responsive or the bidder is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criteria established by District. District also reserves the right to waive any inconsequential deviations or irregularities in any bid. For purposes of this paragraph, an “unbalanced bid” is one having nominal prices for some work items and/or enhanced prices for other work items.

24. It is the policy of the District that no qualified person shall be excluded from participating in, be denied the benefits of, or otherwise be subjected to discrimination in any consideration leading to the award of contract, based on race, color, gender, sexual orientation, political affiliation, age, ancestry, religion, marital status, national origin, medical condition or disability. The Successful Bidder and its subcontractors shall comply with applicable federal and state laws, including, but not limited to the California Fair Employment and Housing Act, beginning with Government Code section 12900, and Labor Code section 1735.

25. Prior to the award of Contract, District reserves the right to consider the responsibility of the Bidder. District may conduct investigations as District deems necessary to assist in the evaluation of any bid and to establish the responsibility, including, without limitation, qualifications and financial ability of Bidders, proposed
subcontractors, suppliers, and other persons and organizations to perform and furnish the Work in accordance with the Contract Documents to District's satisfaction within the prescribed time.

26. Bidder expressly acknowledges that it is familiar with and capable of complying with applicable federal, State, and local requirements relating to COVID-19 or other public health emergency/epidemic/pandemic including, if required, preparing, posting, and implementing a Social Distancing Protocol, and such costs shall be included in the bid as an allowance. Any unused portion of the allowance designated for COVID-19 or other public health emergency/epidemic/pandemic compliance will revert back to the District documented by a deductive change order.

HVAC FILTER REPLACEMENT SERVICE AGREEMENT
SAUGUS UNION SCHOOL DISTRICT

This Purchase Agreement ("Agreement") is made and entered into as of the _____ day of __________, 2021 by and between the Saugus Union School District, ("District") and ________ ("Vendor"), (individually each a “Party” and together, “Parties”).

NOW, THEREFORE, the Parties agree as follows:

1. **Products.** Vendor shall furnish, deliver, and install equipment, materials, or supplies ("Products") to the site(s) (each a "Site"), as further identified in Exhibit “A” attached hereto and incorporated herein by this reference in the quantities designated in the bid or purchase order in accordance with the Bid Form and Proposal, specifications, and any samples furnished by the Vendor and accepted by the District.

2. **Term.** Vendor shall commence providing Products under this Agreement on __________, 202_ through __________, 202_ (“Term”), unless this Agreement is terminated and/or otherwise cancelled prior to that time.

3. **Submittal of Documents.** Vendor shall not commence providing the Products under this Agreement until the Vendor has submitted and the District has approved the certificate(s) and the endorsement(s) of insurance required as indicated below:

   - X  Signed Agreement
   - X  Workers' Compensation Certification
   - X  Fingerprinting/Criminal Background Investigation Certification
   - X  Insurance Certificates and Endorsements
   - ________ W-9 Form
   - ________ Other: ____________________________________________________

4. **Compensation.** District agrees to pay Vendor according to the prices in Vendor’s Bid Form and Proposal for the Products satisfactorily furnished and delivered pursuant to this Agreement, as such prices are shown on Exhibit “A”. Vendor agrees that all costs for delivery, drayage, freight, or the packing of said articles are to be borne by the Vendor.

5. **Vendor.** The District shall not be responsible for any taxes or surcharges with the exception of sales tax or use taxes where applicable.

   5.1. **Accounting.** Invoices shall be furnished with each delivery and include delivery site, product name, quantity, unit size, and unit price. One (1) copy is to be kept by the Vendor.

   - The original invoice must be signed by the individual checking the dropped merchandise the following morning. An invoice signed by the District’s representative or designee is required in order for the invoice to be processed for payment.

   - Statements for all goods purchased within a calendar month shall be on an individual Site basis.

   - Statements shall be submitted no later than the fifth day following the close of each calendar month.
5.2. **Payment.** Invoices for purchases at the delivered price are not due and payable until delivery of Product and do not constitute an obligation by the District until the month following the month for which charges accrue. The District shall make every reasonable effort to pay invoices as promptly as regular District fiscal procedures permit. Payment is due thirty (30) days from the date the Product is received and accepted by the District, or thirty (30) days from the date a correct invoice is received by the District office, whichever is later. Vendor will inform the District of any special discounts for payment received with a ten (10) day period.

5.3. Invoices are checked regularly. Any discrepancies in pricing will require a credit for the price discrepancy and the pricing to be corrected, to avoid future errors. Continued negligence in invoicing will result in a $50.00 fine for each item, in addition to a credit for the price discrepancy of the Products purchased. Ongoing, improper billing may result in termination of the Agreement. Ongoing, unapproved substitution, without cause by manufacturer or nature, is also reason for termination of the Agreement.

5.4. Price adjustments may be allowed to adjust prices upon presentation of suitable proof of a price increase from a manufacturer, processor or grower. A notice shall be sent including proof of any increase thirty (30) days prior to the increase. No increase to the price will be allowed sooner than one hundred eighty (180) calendar days from the date of the Agreement, including thirty (30) calendar days advance written notice. Any change to the price shall be subject to mutual agreement by both Parties.

6. **Additional Items.** During the Term of this Agreement, as the need for other products arises or new products are developed, the District reserves the right to add items to this Agreement. The price of such items shall be negotiated between the District and the Vendor using a similar mark-up percentage as all other existing/awarded products on the price request and shall be subject to the terms and conditions of this Agreement. Vendors must indicate the actual cost plus percentage cap/limit, as applicable. Vendor will provide the best pricing available based on type of item and quantity, which shall not exceed the actual cost plus percentage cap stated on price request response. Evidence and documentation of cost (at invoice price) will be provided by the Vendor upon District’s request.

7. **Independent Contractor.** Vendor, in the performance of this Agreement, shall be and act as an independent contractor. Vendor understands and agrees that it and all of its employees shall not be considered officers, employees, agents, partner, or joint venture of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Worker's Compensation. Vendor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Vendor's employees. In the performance of this Agreement as herein contemplated, Vendor is an independent contractor or business entity that is: (i) free from the control and direction of the District in connection with the performance of the service, (ii) performing service that is outside the usual course of the District’s business, and (iii) customarily engaged in an independently established trade, occupation, or business of the same nature as that involved in the service performed, District being interested only in the results obtained.

8. **Performance of Agreement.**
8.1. **Standard of Care.** Vendor represents that Vendor has the qualifications and ability to furnish and deliver the Products as specified, without the advice, control or supervision of District in accordance with generally and currently accepted principles and practices of its profession for services to California school districts. The District shall hold the Vendor responsible for any damage which may be sustained because of failure or neglect of the Vendor to comply with the terms or conditions listed herein with the terms of the Agreement. The District may upon twenty-four (24) hour written notice to the Vendor, cancel the Agreement in its entirety or cancel or rescind on all or any portion of any Agreement resulting from unsatisfactory Products or service or any reason determined to be detrimental to the health and welfare of students and school personnel and to hold the Vendor in default. Failure to furnish all items per the Agreement, in a timely manner, as specified, shall constitute unsatisfactory service.

8.2. **Sanitation.** All Products shall be produced and handled in accordance with the best sanitary practices. Vendor’s employees, equipment, and manufacturing plant shall meet state and county health department requirements to assure clean, sound, and sanitary Products.

8.3. **Delivery Time.** Vendor shall make deliveries, as requested by the District.

8.4. **Inspection of Products Furnished.** All Products furnished shall be subject to inspection and rejection by the District for spoilage, defects, or non-compliance with the specifications. Defective items shall be made good by the Vendor, and unsuitable items may be rejected, notwithstanding that such defective items may have been previously overlooked by the District and accepted. If a Product is rejected at time of delivery, a credit is to be issued for the Product or Vendor shall immediately remedy such defect in a manner satisfactory to District. Several notices of Products failing to meet specifications may result in termination of the Agreement.

8.5. **Safety and Security.** It shall be the responsibility of Vendor to ascertain from, and comply with, the District’s rules and regulations pertaining to safety, security, and driving on school grounds, particularly when students are present.

8.6. **Force Majeure.** The performance of this Agreement by either Party shall be subject to force majeure, including but not limited to acts of God, fire, flood, natural disaster, war or threat of war, acts or threats of terrorism, civil disorder, unauthorized strikes, governmental regulation or advisory, recognized health threats as determined by the World Health Organization, the Centers for Disease Control, or local government authority or health agencies (including but not limited to the health threats of COVID-19, H1N1, or similar infectious diseases), curtailment of transportation facilities, or other similar occurrence beyond the control of the Parties, where any of those factors, circumstances, situations, or conditions or similar ones make it illegal, impossible, inadvisable, or commercially impracticable to perform under the terms of this Agreement. The Agreement may be cancelled by either party, without liability, damages, fees, or penalty, for any one or more of the above reasons, by written notice to the other Party.

Neither Party shall be responsible for delays or failures in performance resulting from acts beyond the control of the offending Party. Such acts shall include acts for God, fire, flood, earthquake, other natural disaster, strike, lockout, riot, freight embargo, governmental statutes or regulations superimposed after the fact.
9. **Ordering.** Orders will be placed only via channels approved by the District’s Assistant Superintendent of Business. Orders should not be accepted for items that are not on the price request or unauthorized substitutions. If such unauthorized items are ordered and delivered it will be at the discretion of District’s Business Services Department personnel whether payment will be made to the Vendor for such items.

10. **Returns.** Vendor shall issue credit to the District for all Products returned, including damaged or decaying Products.

11. **Non-Conformance to Specifications.** If any Product fails to meet specifications, the District may require, within a reasonable time as determined by the District, cash restitution or in-kind replacement, at the District’s discretion for the entire lot that failed.

12. **Warranty/Quality.** Unless a longer warranty is called for or provided elsewhere, the Vendor, manufacturer, or their assigned agents shall guarantee the workmanship, Product or service performed against defective workmanship, defects or failures of materials for a minimum period of one (1) year from completion of all obligations described in Exhibit “A.” All workmanship and merchandise must be warranted to be in compliance with applicable California energy, conservation, environmental, and educational standards.

13. **Audit.** Vendor shall establish and maintain books, records, and systems of account, in accordance with generally accepted accounting principles, reflecting all business operations of Vendor transacted under this Agreement. Vendor shall retain these books, records, and systems of account during the Term of this Agreement and any renewals, and for five (5) years thereafter. Vendor shall permit the District, its agent, other representatives, or an independent auditor to audit, examine, and make excerpts, copies, and transcripts from all books and records, and to make audit(s) of all billing statements, invoices, records, and other data related to the Products covered by this Agreement. Audit(s) may be performed at any time, provided that the District shall give reasonable prior notice to Vendor and shall conduct audit(s) during Vendor’s normal business hours, unless Vendor otherwise consents. Proof of distributor’s landing cost (distributor’s invoice) will be required upon request, within a two day period, for audit purposes only. Invoices are checked regularly.
14. Termination.

14.1. For Convenience by District. District may, at any time, with or without reason, terminate this Agreement and compensate Vendor only for Products satisfactorily provided to the date of termination. Written notice by District shall be sufficient to stop further performance of this Agreement by Vendor. Notice shall be deemed given when received by the Vendor or no later than three (3) days after the day of mailing, whichever is sooner.

14.2. With Cause by District. District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include:

14.2.1. unsatisfactory product or service; or

14.2.2. any reason determined to be detrimental to the health and welfare of students and school personnel; or

14.2.3. material violation of this Agreement by the Vendor; or

14.2.4. any act by Vendor exposing the District to liability to others for personal injury or property damage; or

14.2.5. Vendor is adjudged a bankrupt, Vendor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Vendor's insolvency.

Written notice by District shall contain the reasons for such intention to terminate and unless within three (3) calendar days after that notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the three (3) calendar days cease and terminate. In the event of this termination, the District may secure the required Products from another vendor. If the expense, fees, and/or costs to the District exceed the cost of providing the Products pursuant to this Agreement, the Vendor shall immediately pay the excess expense, fees, and/or costs to the District upon the receipt of the District’s notice of these expense, fees, and/or costs. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District.

15. Indemnification. To the furthest extent permitted by California law, Vendor and its agents, officers and employees shall defend, indemnify, and hold harmless the District, its elected and appointed officers, agents, employees, volunteers, contractors and representatives from and against any and all claims, demands, losses, defense costs, expenses, attorney fees, litigation expenses, or liability which the District, its selected and appointed officers, agents, employees, volunteers, contractors and representatives may sustain or incur, or which may be imposed upon them by law for damages due to personal and bodily injury or death of persons, or damage to property, to the extent caused as a result of or arising out of the operations, negligent acts, errors or omissions, caused in whole or in part by the agents, officers and employees of Vendor in the performance of, in connection with, as a result of, and in accordance with the terms of the Agreement. The District shall have the right to accept or reject any legal representation that Vendor proposes to defend the indemnified parties. The indemnification provisions contained in this Agreement include but are not limited to any violation of applicable law, ordinance, regulation or rule, including where the claim, loss, damage, charge or expense was caused
by deliberate, willful, or criminal acts of either Party to this Agreement, or any of their agents, officers or employees or their performance under the terms of this Agreement. The indemnity provisions of this Agreement shall survive the expiration or earlier termination of this Agreement.

16. Insurance.

16.1. The Vendor shall procure and maintain at all times it performs any portion of the Agreement the following insurance with minimum limits equal to the amount indicated below.
