School Description

Located amongst the mountaintops of the Santa Clarita Valley, Mountainview Elementary School, home to approximately 860 students and a staff of about 100 adults, embraces high academic and behavior expectations which are taught, encouraged, and recognized alongside a civic learning focus. We encourage our students to achieve their personal best as revealed in our school's Civic Learning and Leadership focus. Focusing on both academic and social areas for success, our typical focus incorporates such powerful components as peer tutoring, buddy classes, a student run valet, student run game table, student service, sixth grade leadership, peer mentoring, library assistants and a "Circle of Friends" inclusion program throughout a student's day. Within each of these subprograms, students and teachers provide service to other peers and classrooms in addition to supporting and facilitating the community spirit Mountainview hopes to exemplify. These programs are currently on hold until cleared through the Los Angeles Department of Public Health for interaction among different cohorts of students. In the virtual classroom, teachers provide whole group lessons, small group English Language Development lessons, small group intervention for those in need, as well as extension opportunities for those working at and above grade level. This differentiation meets students at their current instructional level and continues to set high expectations for students to reach or exceed the standard. In-person learning, as allowable, will focus primarily on reading and math foundational skills, with the rest provided in the virtual classroom model. Typically, parents are encouraged and welcomed as classroom volunteers, presenters at our school-wide Career Day, field trip chaperones, Junior Achievement instructors, School Site Council representatives and active members of our PTA. A strong bond is nurtured between student, staff and parent community evidenced by the relationships observed in the classroom, out of the classroom and within the community at large. Integrating these together encourages all students to engage actively in the school, build positive relationships, and apply this learning to social responsibility within our school and community. We look forward to when restrictions can be lifted and these opportunities can be reinstated.

Our Vision: Developing the Hearts and Minds of Every Child

Our Values: Integrity~Commitment~Compassion~Learning~Creativity~Innovation

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

Students, staff, and parents take pride in our school. Our custodians ensure a clean, safe environment where learning takes place. Students participate in character-building programs which help instill a sense of pride in our campus while reinforcing environmental responsibility. Playground supervisors work closely with staff to see that children enjoy safe activities.

A district/school safety committee inspects the campus on a regular basis. Students take part in monthly fire and earthquake drills to ensure preparedness in the event of an emergency. Our school provides supplies for the students to use during a disaster.

The district-operated parent-supported childcare program on campus provides reasonably priced, safe, supervised before and after school care

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	58	N/A	56	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Mountainview parents and community members serve as Site Council leaders, active PTA members, and volunteers in and out of the classroom. Our School Site Council monitors all school programs, student safety, and the school budget. Parent input is received via annual surveys and through feedback after specific events. PTA partners with us to enhance the curriculum through providing specialized instructors in our music and arts programs, and off campus curricular opportunities. PTA also helps our Student Service Leaders coordinate community service. Parent workshops are provided to help parents learn how to best support their children and to build strong home to school communication.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Mountainview Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Mountainview's Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted quarterly and include earthquake and lock down.

Mountainview Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.
- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

Suspensions and Expulsions

Suspensions	0.2	0.1	0.1	0.4	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.1	0.1	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

Since 1988, California has sought to provide intensive learning experiences for beginning teachers. To provide an effective transition into the teaching career for first-year and second-year teachers, several programs have been developed statewide and are in use in our district. The Beginning Teacher Induction Program extends individual training and support in the practice of teaching. Additionally, we have a Peer Assistance and Review (PAR) program to extend assistance and support to credentialed teachers newly hired who may need support transitioning into our school district.

Professional growth activities are planned annually based on current needs and input received from staff. This year the teachers' work calendar includes ongoing professional development that focus on best practices to engage our students in a digital model until we return to campus for in-person learning. These online components include but are not limited to the use of Google Classroom for synchronous and asynchronous lessons and activities using the following programs: Prowise presenter, EdPuzzle, Flipgrid, Screencastify, and Seesaw. Additional trainings have also been provided regarding technology integration with use of iReady and McGraw Hill ELA and Math, Stemsscopes for Science, Studies Weekly for Social Studies and Sanford Harmony for SEL. Teachers have ongoing opportunities for support from our Teachers on Special Assignment (TOSA) workshops, and planning time within grade level teams to implement the State Standards. Staff development during Tuesday staff meetings primarily focuses on continued implementation of effective instructional strategies, and continued lesson development to help students master state standards in English Language Arts (ELA) and mathematics. We continue to implement 30 minutes of: designated ELD instruction daily through use of Rosetta Stone and ELD lessons as well as integrated support for ELD students during other content instruction, Intervention for struggling students in core content areas, and targeted listening and speaking activities to meet standards. Collaborative Planning time continues to be made available on designated Wednesdays allowing teachers the time to plan together within and across grade levels focused on increasing student achievement.

Types of Services Funded

State and federal specially-funded programs at our school include: Standards-based Textbooks and Materials purchases, Gifted and Talented student instruction, English Language Learner services, and School Improvement activities.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
