School Description

Mission Statement: Rio Vista is dedicated to developing and nurturing the whole child in a safe and respectful learning environment. We provide a rigorous instructional program while encouraging each student to develop academic knowledge, inter- and intra-personal skills, and a positive attitude toward self and others.

Vision: As instructional leaders we will set the benchmark for academic excellence by embracing change, creating a positive culture, and implementing current, evidence-based instructional practices. Through standards-based, focused instruction, meaningful common assessments, and collaboration around data, we will ensure all students achieve the academic proficiency necessary to become productive members of society.

School Description: Rio Vista serves approximately 500 students in kindergarten through sixth grade on an academic year calendar that begins in August and ends in June. Rio Vista's staff and community are dedicated to developing and nurturing the whole child through innovative, continuous learning. We have a multi-tiered system of supports in place to ensure that all students learn.

Volunteers work at the school daily to assist in the classroom, library, and office. Parents also serve on school and district committees and attend parent/family involvement meetings, activities and workshops. Weekly newsletters and the school website inform parents and students about important items and events.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

School Safety Plan (School Year 2020-2021)

Rio Vista Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Rio Vista's Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted quarterly and include earthquake and lock down.

Rio Vista Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.
- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

Professional growth activities are planned annually based on current need and input received from staff. For each of the last several years the teachers' work calendar has included professional development days. Weekly and monthly collaborative instructional planning (CIP) time is provided for teachers to plan lessons and activities, review assessment data, and research instructional practices and resources. This year professional development for our school centers around early literacy, the California State Standards for Math, social-emotional learning, and the development of Professional Learning Communities.

Standards-based lessons are the foundation for what is taught and assessed in our district and therefore at our school. Teachers use a positive growth mindset while planning and delivering instruction for students and encourage them to use the same when working and playing with classmates. Rio Vista teachers have received specific training and professional development in Direct Instruction, Systematic English Language Development, Positive Behavioral Interventions and Supports, Social Emotional Learning, and Early Literacy. We are implementing Professional Learning Communities.
