School Description

We are pleased to share our annual Accountability Report Card for West Creek Academy. West Creek Academy opened its doors ten years ago as the newest of fifteen high-achieving elementary schools in the Saugus Union School District. Prior to opening in 2010, the underdeveloped West Creek Academy neighborhood had 70 students slated for attendance. In order to increase enrollment, West Creek Academy opened to all interested students within the district. In August of 2010, interested families left their current schools to join West Creek Academy's educational journey as the district's first music and performing arts focus school. Over 900 students applied for this new concept school and 630 ethnically and socio-economically diverse students of varying abilities were accepted. Since our school's opening, families looking to move into the area have gravitated towards the West Creek Academy boundaries due to the reputation of our music and arts focus program, coupled with its excellence in academics, a focus on 21st century learning, as well as celebrating a diverse population. As a result, students have transferred from over 100 different schools, many different states, and over 24 different countries. Since opening, our population has grown by almost 40%, reaching over 1,000 students. Current TK-6th grade students were born in 21 countries, and over the last four years, students attending West Creek Academy were born in an additional seven countries. To accommodate our student growth and focus on science and the arts, a new two-story building was added in 2018 including five classrooms, along with 3 music and piano labs and a flexible science lab accommodating up to 80 students at a time. Additionally, our school district is the second lowest funded district in Los Angeles County and the fourteenth lowest funded district in California.

Since the opening of West Creek Academy, as the Saugus Union School District's first focus school in the Arts, we have developed and sustained a unique, arts-integrated curriculum, requiring students to utilize the dimensions of depth and complexity that are specific to our Advanced Learning Process for Scholars (ALPS). ALPS is the method by which West Creek Academy instills higher level thinking and a deepened knowledge of all subjects taught through the use of Depth and Complexity icons for all students. Students learn the 11 Dimensions of Depth and Complexity and apply them in the core curriculum in Kindergarten, 1st, and 2nd grades. Students continue to utilize the Dimensions of Depth and Complexity and learn how the five Content Imperatives empower them to accomplish even more in 3rd, 4th, 5th, and 6th grades.

In 2016 West Creek Academy received the Gold Ribbon Schools Award recognition for our model practice of STEAM. Since our Gold Ribbon recognition, our school has continued to expand and create a program for fostering 21st century learners and was recognized as a 2020 California Distinguished School. We have increased the use of technology with instruction, expanded our Chromebook ratio to one-to-one for our TK through 6th grade students, and implemented Professional Learning Communities (PLCs) with our staff. Additionally, we use Illuminate to create standards based assessments, implement Wonders for our Language Arts Curriculum, and as a result of professional development opportunities, teach Next Generation Science Standards using STEMscopes. Our Positive Behavior and Intervention Supports (PBIS) program has grown and teaches school-wide behavior expectations which embolden students to be, "Honest Optimistic Willing Leaders." School assemblies recognize students who exemplify this motto, character traits, and academic success.

In 2018, West Creek Academy teachers and administrators began training and implementing PLCs in each grade level. This design allows teachers the opportunity to collaborate and examine data that drives instruction. Students are assessed utilizing the program Illuminate, a data rich program which allows teachers to analyze results, and proceed accordingly with instruction. Ensuring teachers meet the instructional needs of students continues to be the common goal across West Creek Academy classrooms.

As each day dawns, students, teachers, administrators and parents alike, rededicate themselves in our pledge to “pursue academic excellence and never settle for less than my best.” Whether it be through daily collaboration, instruction, creativity, or leadership, we unite together to positively impact our students through our program highlighting 21st Century Learning.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

West Creek Academy's custodial staff collaborates with the District's maintenance department to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for all students, staff, and visitors. Our principal and head custodian communicate regularly regarding school facilities and maintenance issues, custodial responsibilities, and special program schedules. Our students, staff, and parents take pride on our school and work together to ensure a clean and safe learning environment for everyone.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: 11/2/2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	82	N/A	66	N/A	50	N/A
Math	75	N/A	56	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Our school is privileged to have a high level of parental support. Volunteers work at the school and in the classrooms on a daily basis in various capacities. West Creek quickly established an excellent reputation due, in part, to the support we received, and continue to receive, from our parents and our community. Parents are kept informed of school events and news through weekly on-line newsletters and emails. Parents interested in volunteering at our school should contact the school office for information.

Through our partnership with the West Creek Academy PTA, parent engagement sessions are held each year including opportunities for parents to be engaged with and learn about areas that have included technology, social skills, and mindfulness. Parents may be involved during family nights that are organized by our PTA. Family nights have included a STEAM night, Fall Festival, student talent show, Matters of the Heart where something is created to help others, a Daughter Dance, and a Son Dance.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

West Creek Academy provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. West Creek Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted quarterly and include earthquake and lock down.

West Creek Academy is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.
- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.1	0.1	0.4	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	0.1	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

Since 1988, California has sought to provide intensive learning experiences for beginning teachers. To provide an effective transition into their teaching career for first-year and second-year teachers, several programs have been developed statewide and are in use in our district. The Induction program extends individual support and training and support success in the practice of teaching.

Our teachers are highly qualified and fully credentialed by the State of California. As educators we constantly strive for excellence. Professional growth activities are planned annually based on current need and input received from staff. Teachers receive professional development during staff meetings as well as two professional development days scheduled throughout the school year. These professional development days incorporate training on a variety of subjects, including Professional Learning Communities, Positive Behavior Intervention and Supports, Next Gen Math, Next Generation Science Standards (NGSS), iReady, Screencastify, Kennedy Arts integration, Language Art Curriculum and technology. Teachers utilize the information that they have learned as they plan together with their colleagues during Collaborative Instructional Planning, which is the planning time teachers receive with their grade level 3 days during the school year as well as each Wednesday created by our early release of students. Teachers have also been learning about what works best for student learning through training and collaborative conversations about Visible Learning.

Committees composed of teachers and administrators reviewed the state standards and deconstructed them for our curriculum for mathematics, language arts, history/social science and science. Breaking the standards apart into smaller chunks makes them more easily understood and more succinct to plan and teach and have been incorporated into a district pacing guide. These standards-based documents are the foundation for what is taught and assessed in our district.

The primary focus at West Creek Academy for staff development is Professional Learning Communities, Visible Learning, Direct Instruction, California Common Core State Standards in each of the content areas (including the Next Generation Science Standards), Positive Behavior and Intervention Supports (PBIS), Advanced Learning Process for all Scholars (ALPS), technology and Construction Meaning instruction and ELPAC training for English Learner students.

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded

State and federal specially-funded programs at our school include: Standards-based Textbooks and Materials purchases, Gifted and Talented student instruction, English Language Learner services, and School Improvement activities.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
