- All students must be toilet trained by the start of the school year.
- There is a \$50 Non-Refundable Registration Fee per student.
- There is a \$25 Supplies Fee per student.
- An annual fundraising goal is required in addition to the tuition (see the following page).

Standard tuition costs are for parents who wish to take full advantage of the cooperative philosophy by working in their child's classroom as a parent aide. Payment plans are available and options are listed in the table later in this form. The Board will contact you if you choose the third payment option.

**Non-Working Parent Fee:** Those parents who choose not to work as a parent aide will be required to pay a non-working parent fee. The three day class fee is \$120.00 per semester and the two day class fee is \$80.00 per semester. Please note that due to the nature of a parent cooperative only a limited number of non-working parents can be accepted for each class. This will be determined on a first come first serve basis. Non-working parents are required to be on the cleaning rotation.

**Fundraising Requirement:** Little Lambs is a non-profit organization. Every dollar of income goes towards running the preschool. The actual costs to run our school are higher than what tuition covers. Therefore, each family is required annually to earn \$250 in fundraising profit for the first child, each additional child has a fundraising profit of \$125 that must be met. Families may participate in any or all of the fundraisers. Parents may elect to pay the fundraising profit fee in lieu of actually fundraising.

In addition, families are required to fill four fundraising activity spots (credits) per semester for the first child, each additional child has a fundraising activity spot requirement of three credits per semester. A fee of \$50 will be assessed for each un-worked fundraising activity spot (credit).

Please fill out a registration form for your student(s). There is a non-refundable \$50 registration fee per student. Parents with three or more children attending at the same time receive a 10% discount on tuition.
