

Dear FMCA family,

We are pleased to announce the Father Marquette Catholic Academy GUARDIAN ANGELS Annual Appeal. This campaign is critically important for the future of our school and the faithful education of our “Little Disciples”, who are the future of our Church. We hope and pray you will join us!

A successful Annual Appeal will allow our school to fulfill its mission of providing a superior education that enables children to pursue vigorous academics, while growing in their faith and personal virtues. We are preparing students to excel at the next level of education, and to achieve success in an everchanging and challenging society.

Your financial support will help us address important and pressing needs for the school. We are planning crucial improvements to our curriculum, including expanding both our Arts and Music programs. We are hopeful to create a full-time Music and Band teaching position. We are working towards more equitable salaries and competitive benefits for our teachers. Meeting maintenance and facility expenses is always challenging. Keeping tuition affordable for all families is fundamental to being a Catholic School. With God’s grace and your help, we can meet these important needs.

This year, in spite of Covid-19 and all the challenges we face, Father Marquette Catholic Academy is open and thriving! Enrollment is up and there is excitement throughout the school. We are truly grateful for Father Marquette Catholic Academy and the blessing it is for everyone.

We invite you to make a generous donation to the Annual Appeal. Become a GUARDIAN ANGEL! Your gift will make a difference.

Thank you for believing in our mission and the children!

Yours in Christ,

Dr. Jessica Betz, Principal
