The Meal Charge Policy

(Unpaid meal charges of current students)

1. Every Friday an email is sent notifying families with balances between \$10.00 and zero to add money to their lunch account. Also every Friday an email is sent notifying families with negative balances to pay their lunch account.
2. For an account 30 days past due, the family will receive a letter
3. For an account 60 days past due, the family will be contacted by the Principal to discuss arrangements to bring the family account current.
4. For an account 90 days or more past due with no communication from the family a past due letter will be sent. If in the judgement of the school the parent/guardian refuses to act in good faith regarding their unpaid lunch obligation the school may pursue legal action against the parents/guardians. Actions could include dismissal of the students and/or legal actions including collection agency or small claims court.

The bad debt policy

(Negative balances of students that are inactive and have become uncollectable)

Bad debt is defined as uncollectable meal balances for inactive students as of June 30th that have not been collected by December 31st of the same calendar year (six months).

Step 1) Letter is sent to family

Step 2) The Principal will contact the family to discuss arrangements to bring their account current.

Step 3) With no communication from the family a past due letter will be sent. If in the judgement of the school the parent/guardian refuses to act in good faith regarding their unpaid lunch obligation the school will pursue legal action, including collection agency or small claims court, against the parents/guardians.
