

Community Ambassador Program

An Opportunity for Community Service Hours

With each passing year, the City of Lawrenceburg is welcoming more and more visitors into our community. Numerous public events throughout the year provide great opportunities to extend true Hoosier hospitality to both visitors and residents alike. To insure that we make the most of those opportunities, Lawrenceburg Main Street has created a Community Ambassador group, and is inviting interested students to join us. This program will allow you as a student to contribute to your community, accumulate those important service hours, and hopefully enjoy yourself at the same time.

Community Ambassadors will be asked to assist in promoting our community at various events by performing a variety of tasks, including but not limited to, welcoming people and dispensing general information regarding restaurants, stores, etc., providing traffic directions and emergency information, assisting with parking, monitoring crowds to ensure safety, and identifying people who can be assisted with simple transportation needs. In 2017 we are also anticipating a spring cleanup and planting day to insure that our downtown looks its best. Tasks and hours will vary.

Interested persons will be required to complete an application form. Depending on the activity, you may be asked to attend a short training session. Questions regarding Community Ambassadors may be directed to Pat Krider, Lawrenceburg Main Street, 812-537-4507 or Judy McAdams, City of Lawrenceburg, 812-532-3557. Applications may be returned to Lawrenceburg Main Street, 118 Walnut Street, or turned in to the school office.
