

The **Education Foundation for Buckeye Elementary School District** drives innovative education and instructional leadership through grants to support the students, staff and programs of Buckeye Elementary School District.

The foundation:

- provides grants to enhance academic achievement and success,
- builds and fosters relationships with communities served by BESD,
- supports special projects that enhance the quality of educational programs,
- provides recognition of BESD staff, students, or members of the community for outstanding service or contributions to BESD, and
- provides support and partnership with BESD parent and student organizations.
