Lower Your State Taxes By Up To \$400

Some gifts cost a lot, but this one won't cost a dime. Arizona law allows any individual (parent or not) to make a contribution of up to \$200. Married couples filing a joint return can donate any amount up to \$400 to any school in the Eloy Elementary School District, and receive all of the money back as a state income tax credit – a dollar-for-dollar reduction!

Example: If you owe \$500 in state taxes, and you donate \$400 to one of the Eloy District schools, you will pay the state only \$100.

Please contact the Eloy Elementary School District Office for more information at (520) 466-2100.
