I, Suzanne D. Lupke, Clerk of the Board of Supervisors of Apache County certify this a true accurate canvass of September 7, 1982 Primary Election.

Suzanne D. Lupke
Suzanne D. Lupke, Acting Clerk of Board

September 12, 1982

Ambrose Sheperd
Chairman of the Board
Apache County Board of Supervisors
P.O. Box 428
St. Johns, Az. 85936

Dear Mr. Sheperd:
In Preparing the Canvass form for the Primary Election of September 7, 1982, I became aware of some situations which the Board needs to note:

- 1) There is an overvote situation in the Luton Precinct. This was caused by the Election Board not properly following the Questioned Ballot procedure. A.R.S. 16-584.B. or A.R.S. 16-602.C.

- 2) There is an overvote situation in the Ft. Defiance Precinct. The same reason as #1 above.
- 3) There is an overvote situation in the Nazlini Precinct. The same reason as #1 above.
- 4) The difference between the two (2) candidates for Clerk of the Superior Court is seven (7) votes. As per A.R.S. 16-661 this requires an automatic recount. Procedure to be followed as per A.R.S. 16-662.

Considering the closeness of the Clerk of the Court's race, and that no challenge can be issued until after the canvass, it is my recommendation that the Canvass be completed with the difficulties above noted by the Board. A letter immediately sent to the Superior Court certifying the need for a recount as per A.R.S. 16-666.

 Paul McCourt
 Clerk of the Board

Mr. Lee moved to accept the Canvass of the Election, seconded by Ms. Dennison. Vote unanimous.

Mr. Shepard read the names of the candidates declared the nominees for county offices. They are:
