VISION FOR LEARNING

Port Allegany School District's vision beliefs are: Successes in school and life are dependent upon the development of respect, responsibility, tolerance, and compassion. Our children need to be taught values to become responsible and contributing citizens of our country. High expectations lead to high achievement. A healthy child is a learning child. Every child has the right to learn in a safe environment that fosters problem-solving and lifelong learning. Parents, school, and community need to work together to promote each student's success. A parent is a child's first and most important teacher. An open and welcome environment encourages parental and community involvement in the school district.
