

Name: \_\_\_\_\_

Grade (2020-2021): Kindergarten

## Summer IXL Work

Remember: you are trying to achieve a Smart Score of 89 or higher! Please turn this completed paper in on Tuesday, August 25 (the first day of school).

| IXL<br>Grade<br>level | Objective  | Date<br>Started | Date<br>Mastered | Parent<br>Initials |
|-----------------------|--|-----------------|------------------|--------------------|
| K                     | Measure length with cubes                        |                 |                  |                    |
| K                     | Build cube trains to measure length              |                 |                  |                    |
| K                     | Build cube trains to measure height              |                 |                  |                    |
| K                     | Equivalent groups of coins-pennies through dimes |                 |                  |                    |
| K                     | Exchanging coins -pennies through dimes          |                 |                  |                    |
| K                     | Introduction to symmetry                         |                 |                  |                    |
| 1                     | Read clocks and write times                      |                 |                  |                    |
| 1                     | Read a calendar I                                |                 |                  |                    |
| 1                     | Read a calendar II                               |                 |                  |                    |
